ABOUT ME

I have a Master's in Occupational Health and Safety Management and have spent over three years lecturing at a health college. I'm a creative and proactive individual with experience in verbal and written communication, rendering health and environmental services, and scientific research. Keen to secure opportunities within the health and humanitarian industries

WORK EXPERIENCE

Lecturer/Student Affairs Officer

Divine Jubilation College of Health, Nasarawa state. [12/07/2018 – 02/01/2021]

Country: Nigeria

Worked with students in a reputable educational system to deliver educational and effective information on a daily basis.

- Subject matter expert on Biochemistry and Occupational Health and Safety Management
- Human nutrition support analyst for students
- Evaluated and prioritized individuals' inquiries to better serve the students
